August 2026

Helmingham Hall and Stonham Bams events have come and gone, as has the Memorial Suffolk Run to Dunwich – a pleasant drive and change of finishing point. Thanks to all those who took part and for the great fish and chips from Flora Tea Rooms. Thanks to the club members for the £204 contributed during the season with donations, purchases of vegetables etc. We were able to add another £296 to this from more donations and draw money and donate £250 to both EAAA and SARS. The Club also donated £50 to the Aldeburgh Mayor's charity (cancer research) as a thank you for giving us the alternative finishing place if the Dunwich fire had still been a problem. Thanks to Newton Commercial for their draw prize, to Peter Watts of Bury for the array of drink prizes and to Club members for their prize donations.

I am assured that the August meeting this Thursday at the Bunbury Arms is on, but I have heard nothing more about the problems of the Bella Group. Hopefully all future dates, including the Christmas meal, will be honoured. I will continue to keep an eye on the situation.

The next Club event is the Cars by the (Orwell) Bridge and there are 6 of us attending. Then we have Classics Glemham at Woolverstone and meeting details for both will be out shortly.
