

News-Sheet

September 2026

Good events at The Orwell Bridge and Woolverstone plus a great morning at the EAAA open day where we learnt a lot about their work and had a thank you cheque presented to us for the £2,826.14 we have donated to them over the years. The visit to Colne Valley Railway on Sunday was a good drive out and a great experience, seeing all the grey and long-haired volunteers so dedicated to preserving the museum and the other attractions there.

The last event of the season (apart from the Christmas meal) will be on 11th October and is the visit to Prick Willow Museum where the engines will be fired up. There are still spaces for this event if you let me know as soon as you can.

Thanks to those who turned up for the last meeting at the Bunbury Arms as the pub is now sadly closed again!

Our club meetings will now be held at the Ravenwood Hall Hotel at Rougham from 8.00pm in the breakfast room and is this Thursday 24th September. We have also booked the room for all next year plus October and November meetings this year. There were no takers to organise the ten-pin bowling this year and I may be out of action so couldn't commit to doing it. Never mind, maybe next year.

The Christmas meal will also be at the Ravenwood and all spaces have now been taken up and thanks to those who have said they will come along. The date is the same – Sunday 13th December at 1.00pm.

The remaining Club events that we hope to attend and how many spaces I have booked are shown below.
Event dates for 2026:

<i>11th October</i>	<i>Visit to Prick Willow Museum – engines running. 8 interested to date.</i>
<i>13th December</i>	<i>Club Christmas meal at the Ravenwood Hall Hotel 1.00pm. 36 coming.</i>

Finally, as the year comes to an end, thanks to all those who have come to the Club nights and events and if there are any particular events you think we should attend next year, please let me know.
