

## News-Sheet

May 2025

Thanks yet again to all of the members for another great turn out at the Gt. Barton Bunbury Arms for the April meeting. The next meeting is on Thursday 29<sup>th</sup> May, starting at about 8.00pm. Don't forget, if you want a meal before the meeting, you can order on the night or in advance – it's up to you, but it is their "special" carvery night.

The lists for all the events we are to attend as a Club are now nearly full, but you can go on the reserve lists for some if you want to see if a spare space becomes available. The numbers booked for the various events are shown on the list below.

The next Club event, now fully booked, is the "Chopper run" and this will take place on the morning of 1<sup>st</sup> June with some refreshments at John N.'s at Onehouse at the end of the run and after the grand tour! Those coming, please meet in the Bunbury Arms car park at 10.00am.

On past events, thanks to those at the Kersey Mill Day and the Rickingham show. Some pics are on the facebook page along with congratulations to John N. for being one of the best vehicles on display at Rickingham.

The other events we will be attending are shown below.

**I have a few deposits for the karting at Red Lodge, but could those that haven't paid yet, please let me have their £36 deposit so we can confirm all with the track organisers. Thanks.**

The day will be 28<sup>th</sup> September in the morning. We have 14 drivers at the moment but still space for others if you fancy your chances as a racing driver!
